HUNTIA is a yearbook devoted to studies of the literature on systematic botany and horticulture, botanical voyages and explorations, early agriculture, medical botany, and the related subjects of botanical biography, iconography, and bibliography.

While HUNTIA serves primarily as a record of investigations at The Hunt Botanical Library, its pages are open also to papers from scholars of other institutions.

Editor: George H. M. Lawrence

Director, The Hunt Botanical Library

Subscription price: \$7.50 (US) a volume.

Communications regarding subscriptions, exchanges and contributions should be addressed to the Editor, Hunt Botanical Library, Carnegie Institute of Technology, Pittsburgh, Pennsylvania 15213.
